

HR PRIMES

Innovision Optics is now introducing a new set of High Resolution prime lenses for our existing Probe II and Probe II+ lens owners. The new lenses offer:

- ★ Increased Sharpness and Contrast
- ★ Overall image improvement from edge to edge
- ★ Focal Lengths: 12mm, 20mm, 28mm, 40mm, 55mm
- ★ All lenses are waterproof & have protective optical flats
- ★ Compatibility with Probe II+ and Probe II 35mm Systems
